Teachers Thank You

This week is Teacher Appreciation Week and the CBA teachers have received notes from many of the students, lunches, and also a potted flower. Thank you so much for thinking of them and showing your appreciation for what they do. Each teacher has been blessed by what they have received and are thankful. Please pray for each of them as they finish out the last several weeks of school.

Teacher APPRECIATION

Thank you CBA Teachers for all you do to invest in the life of each student at CBA.
