The Bike-A-Thon is Friday. Bikes can be dropped off at CBA tomorrow, Thursday or at drop-off on Friday morning. If you bring them during the day, please stop by the office so we can check them in. Students under 12 should bring a bike helmet.

Students are to come to school dressed for the bike-a-thon (refer to information sheet sent home last week). Winners will be announced on Friday morning.

If the weather is not conducive for the Bike-A-Thon on Friday a text will be sent out and it will also be posted on our facebook page to notify you. The raindate is on Monday, May 11.

K4 students are to meet at the White Township Complex at 10:00 AM and will be dismissed at noon from the complex.

TEACHER APPRECIATION WEEK

This week, the students are enjoying the "Guess Who" board displayed in the hall. Matching teachers with their baby photos isn't as straightforward as many might assume. We appreciate the UNO notes sent to the teachers and the delicious food being prepared for them this week. CBA is blessed to have amazing teachers who are passionate about teaching and care deeply for their students. The teachers appreciate your kindness to them.
